Corporate/Community Volunteer Assistance

To reach our goal of clothing 7,500 children in need, we request not only funding, but community volunteers to assist us with packing and delivering to Long Beach Unified School District's (LBUSD) children at these upcoming events:

- *Late August/Early September 2011:* Packing and delivering school uniforms to four LBUSD Middle Schools
- *September 2011:* Packing and delivering school uniforms to four LBUSD Elementary Schools

Partnering with Operation School Bell would not only benefit many children but would also be an enjoyable and meaningful community project for your employees.
