

Operation School Bell® Corporate Partnership Needs

School nurses, teachers and counselors identify the children most in need of assistance.

At an average cost of \$60 per student, Assistance League of Long Beach provides elementary children with 2 complete uniforms (2 polo shirts and 2 pants or skorts), 3 pairs of socks and underwear, and a jacket. Middle and high school students receive 3 uniform shirts and 2 pair of pants and a sweatshirt.

In addition to uniforms, Assistance League of Long Beach provides school backpacks and supplies whenever possible and needed.
