

Operation School Bell[®] Corporate Partnership Corporate/Community Volunteer Opportunities

To reach our goal of clothing 10,000 children, we need not only funding, but community volunteers to assist us with packing and delivering to Long Beach Unified School District's (LBUSD) children in need for these upcoming events:

- *Late May/Early June:* Packing and delivering school uniforms to Head Start schools.
- *Late August/Early September:* Packing and delivering school uniforms to six LBUSD Middle Schools.
- *September:* Packing and delivering school uniforms to LBUSD Elementary Schools.
- *October:* Participate in "Make a Difference Day" by packing and delivering school uniforms to an elementary school in the LBUSD.

Partnering with Operation School Bell would not only benefit many children but would also be an enjoyable and meaningful community project for your employees.

Please contact Annette Kashiwabara at 562-627-5650 if you would like to participate.
