

ASSISTEENS® AUXILIARY

Assisteens is an auxiliary of Assistance League of Long Beach that encourages and provides volunteer opportunities for young people in grades 9 through 12. The goals are to develop a sense of community responsibility, self-reliance, personal responsibility, poise, public speaking and leadership skills.

Through selected programs, Assisteens give approximately 3,000 hours of service to the Long Beach community. Each year backpacks are filled with toiletries for school children and during the holidays, gifts are wrapped with care for adopted families. Blankets and dog treats are made and distributed to local animal shelters and the Assisteens work side-by-side with chapter members at the Thrift & Vintage Shop. Assisteens also participate in various fundraising events for the chapter.

Monthly meetings are held at the Assistance League Philanthropic Center where members discuss ideas and report on upcoming events. Several times a year, guest speakers are invited to discuss topics of interest to auxiliary members.

Assisteens membership provides many opportunities to develop leadership skills. The annual Assisteens Conference offers the members the opportunity for additional training and the opportunity to meet other Assisteens from across the United States. The conference is held in June at California State University, Long Beach. Social and fundraising events are held throughout the year.

There are over 100 high school young women and men participating in Assisteens Auxiliary with high schools throughout Long Beach and adjacent areas represented. Family participation is always encouraged in Assisteens.

If you have any questions regarding Assisteens Auxiliary, please contact Assistance League at 562.627.5650 or assisteens@allb.org.

Thank you for your interest in Assisteens Auxiliary.
